

EYNHAM COMMUNITY PRIMARY SCHOOL ADMISSION POLICY 2026-2027

THIS POLICY WAS AGREED BY GOVERNORS ON (DATE):	October 2025
REVIEW DATE:	October 2026
CHAIR OF GOVERNORS:	 Peter Leonard
Headteacher:	 Ginny Bayliss

This policy has been agreed in consultation with the whole school community's stakeholders, including the Governing Body, to ensure that it remains fit for purpose.

Eynsham Community Primary School Admissions Policy

INTRODUCTION

Eynsham Community Primary School is part of the EPA academy, and the admission arrangements are set out below. Eynsham Partnership Academy is responsible for admissions decisions. The trust has delegated this responsibility to the Local Governing Body (LGB). The trust and the LGB will work closely with Oxfordshire County Council and will use the council as their agent for the processing of applications for places.

ADMISSION NUMBER

The admission number for entry to Reception year group each academic year will be 60.

ADMISSION ARRANGEMENTS FOR RECEPTION/FOUNDATION STAGE 2026

At our school, pupils are normally admitted at the beginning of the school year (1 September –31 August) in which they reach their fifth birthday. Parents whose children were born between 1 September 2021 and 31 August 2022 may apply for them to be admitted to the Reception Year in September 2026. There are 60 places (the published admission number or PAN) available.

Parents of a child whose fifth birthday falls between 1 September 2026 and 31 March 2027 may defer entry until their child reaches compulsory school age (the term beginning in January or April after his or her fifth birthday). The school will hold the deferred place for the child (provided it is taken up during the school year 2025/26), although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.

For children whose fifth birthday falls between 1 April 2027 and 31 August 2027 (summer-born children) parents can defer the date that their child is admitted to school but not beyond the point at which they reach compulsory school age i.e. when they reach their fifth birthday. They should apply in the normal way for a Reception place in September 2026.

Until the child reaches compulsory school age, s/he may attend part-time. If parents wish to exercise this right, they should discuss detailed arrangements with the head teacher.

Parents (see Note 1) wishing to apply for the Reception [Foundation] Year in September 2026 must complete the common application form provided by their home local authority (the home LA). The home LA is the LA in whose area the parents live at the time of the application. The form must be returned to that LA no later than 15 January 2026. Applications received after this date will normally only be considered after all those received on or before the cut-off date. Offers and refusals of places will be sent by the home LA on 17 April 2026.

OVER-SUBSCRIPTION CRITERIA

Children with an Education, Health and Care (EHC) plan naming Eynsham Community Primary School will always be offered places. If there are fewer applications than places available, all children will be offered places. If there is greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

- 1 Looked-after children and children who were previously looked after, including those children who appear to have been in state care outside England, but ceased to be so as a result of being adopted. (See Note 2)

Eynsham Community Primary School Admissions Policy

2 Families who have exceptional medical or social needs that make it essential that their child attends Eynsham Community Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family. (See Note 3)

3 Children with a normal home address (See Note 4) in the catchment area and with a sibling (see Note 5) on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

4 Children with a normal home address in the catchment area

5 Children with a normal home address outside the [catchment area] and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

6 Other children.

The proximity of the child's home, as measured by the straight-line distance (see Note 6) between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 6 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

ALL OTHER ADMISSIONS

Admission to the school during the school year depends on whether or not there are places available. Eynsham Community Primary School is part of the coordinated in year admissions process for Oxfordshire and applications should be made using the online application form.

The In Year Admission Scheme is published on the County Council's public website.

If there is a vacancy, and there is no child on the relevant waiting list with a higher priority (according to the over-subscription criteria 1-6 above), a place will be offered.

COORDINATION OF ADMISSIONS FOR THE NORMAL ADMISSIONS ROUND

Eynsham Community Primary School is part of the coordinated admission process for Oxfordshire for entry to the Reception year group.

The Scheme is published on the County Council's public website.

IN-YEAR ADMISSIONS (RECEPTION TO YEAR 6)

Eynsham Community Primary School is part of the coordinated in year admissions process for Oxfordshire.

The In-Year Admission Scheme is published on the County Council's public website.

In-year admissions or admissions at the beginning of school years other than Reception will only be considered by the Governing Body up to half a term [using the three-term year] in advance of the desired date for entry. For example, for entry in January, the application will not be considered until after the October half term break.

Eynsham Community Primary School Admissions Policy

If parents are moving house, the school will ask for evidence of the move when considering any application for a place. Documentary evidence in the form of a solicitor's letter to confirm exchange of contracts, or a rental agreement for at least a period of six months will be required (Armed Forces personnel and crown servants are exempt). If you are returning from elsewhere, to live in a home that you own, we will require evidence to show that you have returned. We will also ask for evidence that any previous house owned has been sold or is being sold. We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

ADMISSION OUTSIDE NORMAL AGE GROUP

Requests from parents for places outside a normal age group will be considered carefully, eg for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances and a decision made based on what is in the pupil's best interests. It is recommended that parents discuss their wishes with the head teacher in advance of applying for a place. The governors may ask relevant professionals for their opinion. If a place in the requested age group is refused, but one in the normal age group is offered, then there is no right of appeal.

WAITING LISTS

The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child's name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription and does not depend on the date on which an application is received.

MULTIPLE BIRTHS

In cases where there is one place available, and the next child on the list is a twin, triplet, etc., we would admit both twins (and all the children in the case of other multiple births) even if this meant exceeding the agreed admission number.

FAIR ACCESS

The school participates in Oxfordshire County Council's Fair Access Protocol. Children qualifying under the Fair Access Protocol may be offered a place even if there are no places available in the relevant year group and also take priority for admission over any child on the waiting list.

APPEALS

Any parent not offered a place for their child at their preferred school has the right of appeal to an independent appeals panel. Details of appeals arrangements are available from the school, including the date by which an appeal should be submitted. In the event of an unsuccessful appeal against non-admission to the school, the school will not consider any further application for a child in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example, a change of address which results in a move from outside the catchment area to inside it.

Eynsham Community Primary School Admissions Policy

HOME ADDRESS

The address on the application **should be the child's address at the time of application**. This is the address at which the child spends most term-time school nights (Sunday night to Thursday night).

The **time of application** is the entire time from the point when applications can start to be made in the September of the year before entry until National Offer Day the following April.

Sometimes an application is made based on an address at the time of application and the address then changes after the application has been submitted. It is important to tell the Admissions Authority about changes of address so that places can be offered fairly and so notification can be sent by post to the correct home address.

If the application address is found to have subsequently changed after the application was submitted and this information could have been provided when the application was first made or before places were offered, the Admissions Authority will consider the application to have been made based on a fraudulent or intentionally misleading address. This may result in the offer of a school place being withdrawn.

If an application is made based on a new address or intention to move to an area, information about the new address will need to be provided for it to be taken into account.

CHANGES OF ADDRESS

Changes of address which occur after the closing date may be considered if proof of this change is provided by the date published in the LA's Admissions Rules. To confirm your new address, we need one of the following:

- A solicitor's letter advising contracts have been exchanged (**if the property is being purchased**);
or
- A copy of a tenancy agreement (if the property is to be rented). **If this tenancy agreement comes to an end before September when the child could start school, we may not accept the address for admissions purposes**; *or*
- A copy of your Council Tax Bill **showing the same name(s) as on the school place application (CAF)**; *or*
- **Letter from a new employer** (e.g., University College) where accommodation is being provided by them and is tied to the new post/job giving details of this new address; *or*
- **New Quarter Information** if this is a military posting with provided accommodation.
or
- **Assignment Order** if this is a military posting but the new quarter has not yet been notified.

Parents may also be asked to provide proof of address from correspondence they have received from HM Revenue & Customs, Child Benefit Division or Tax Credits Division. Such correspondence must pre-date the application you have made.

The Local Authority will act as the school's agent in establishing a child's address.

Eynsham Community Primary School Admissions Policy

MULTIPLE ADDRESSES

Where children spend time with parents at more than one address then the address given on the form should be the one that they live at (i.e., sleep at) for most term-time school nights (Sunday night to Thursday night).

If children spend time equally at different addresses, then the address we will use for admissions purposes will be the one registered for child benefit. We will request proof of the registered address, which must pre-date the application.

The Local Authority will act as the school's agent in establishing the home address.

FRAUDULENT APPLICATIONS

If a place has been obtained based on a fraudulent or intentionally misleading application (for example, a false claim to residence in a designated/ catchment area) and this results in the denial of a place to a child with a stronger claim, the admission authority for the school may withdraw the offer of the place. This follows the guidance in paragraphs 2.12 and 2.13 of the School Admissions Code (December 2014) published by the Department for Education:

“[2.12] An admission authority **must not** withdraw an offer of a place unless it has been offered in error, parents have not responded within a reasonable amount of time, or it is established that the offer was obtained through a fraudulent or intentionally misleading application. Where the parent has not responded to the offer, the admission authority **must** give the parent a further opportunity to respond and explain that the offer may be withdrawn if they do not. Where an offer is withdrawn based on misleading information, the application **must** be considered afresh, and a right of appeal offered if an offer is refused.

[2.13] A school **must not** withdraw a place once a child has started at the school, except where that place was fraudulently obtained. In deciding whether to withdraw the place, the length of time that the child had been at the school **must** be considered. For example, it might be considered appropriate to withdraw the place if the child has been at the school for less than one term.”

The Local Authority will act as the school's agent in establishing whether a place has been obtained based on a fraudulent or intentionally misleading application.

NOTES

Note 1: “Parent” is defined in law (The Education Act 1996) as either:

- a) any person who has ‘parental responsibility’ (defined in the Children Act 1989) for the child or young person; or
- b) any person who has care of the child or young person.

If you are in any doubt, please contact the school for advice.

Note 2: By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. Previously looked after children are children who have been adopted, subject to child arrangement orders or special guardianship orders. Adopted children are those for whom an adoption order is made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order’ is one

Eynsham Community Primary School Admissions Policy

settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A 'special guardianship order' is one appointing one or more individuals to be a child's special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order). A "looked-after child" includes any child who appears to have been in state care outside England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Note 3: When applying under criterion 2 (exceptional medical or social needs), you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring XYZ School. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, health visitor, social worker, etc. who is aware of your child's or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

Note 4: By normal home address, we mean the child's home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child's parent/s or person with legal care and control of the child.

To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If the residence is not split equally, then the relevant address used will be that at which we are satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about the residence, we will make the judgment about which address to use for the purpose of determining whether to offer a place. We will take into account, for example, the following:

- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from any previous school of the contact details and home address supplied to it by the parents
- where the child is registered with his/her GP
- any other evidence the parents may supply to verify the position.

We may ask for evidence of the normal home address in the form of a recent bill, for example, the most recent Council Tax bill, utility bill no more than three months old, a current TV license, buildings and contents insurance, mortgage statement or rent book which shows the address concerned. Parents who are unable to provide this evidence should contact the school to discuss what evidence might be acceptable. If it becomes clear or if there is any doubt that the parents and child are not living at the address given on the application form, the school may seek further evidence. The school works closely with the LA to ensure that places are not obtained at the school on the basis of false addresses, and, in cases of doubt, will take steps to verify the information provided. If a place at the school is offered, and it later becomes clear that the offer was made on fraudulent or misleading information (eg a false claim to living in the catchment area), and the school has denied a place to a child with a stronger claim, the school

Eynsham Community Primary School Admissions Policy

will withdraw the offer of a place. The offer can also be withdrawn even after the child has started at the school.

If parents move house after the application has been made, but before any offer of a place has been made, the home LA must be informed.

If parents are moving, we will ask for evidence of the move, when considering any application for a place under the coordinated scheme.

We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

There are special arrangements for families of service personnel with a confirmed posting or crown servants returning from overseas. If the application is accompanied by an official letter that declares the relocation date, and if there is a place available, it will be offered even though there is not an intended address or the family is not yet living in the area.

Note 5: By sibling, we mean a brother or sister, half brother or sister, adopted brother or sister, step-brother or sister, or the child of the parent's/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It is helpful if parents make it clear on the application form that the sibling has a different family name. Where there is more than one sibling at the school, only the youngest should be listed on the application form.

Note 6: The straight-line distance used to determine proximity of the home to the school will be measured by ABC LA's Geographical Information System. From the seed point the route firstly connects to the nearest point of the digitised network. The positioning of front doors, driveways and back gates is not relevant to the route, or the measurement and they are not programmed to be used by the measuring system.

The digitised network is constructed from road data supplied by Ordnance Survey called the Integrated Transport Network (ITN). The Integrated Transport Network has been accurately digitised to measure along the centre of roads and takes corners at right angles. This is the same underlying information used by internet-based mapping solutions (e.g. Google Maps). However, the LA has a more accurate start point than internet-based mapping solutions and the ITN has been augmented by the LA to consider other available public routes (e.g., alleyways, public footpaths, bridleways, etc). The augmented ITN used by the LA is accurate to at least 1 metre.

All 548,000 kilometres of roads in Great Britain are accurately mapped in a consistent and logical network. The network does not include routes that are not defined as public; these include crossing parks with no paths where the park is not open and available all the time, "short-cuts" across patches of open land without paths, or footpaths across private land which are not defined by Ordnance Survey as public routes.

The end point of the "shortest designated route" is the nearest open gate of the school first arrived at from the direction of travel that is officially available for use by students for entry and exit to the school site at the start and end of the school day. The location of these gates has been set by the LA. The LA

Eynsham Community Primary School Admissions Policy

consults with each individual school annually to ensure the accurate placement of the gate and its availability for use.

The shortest designated route is established using an algorithm within the bespoke software used by the LA. This software is called Route Finder and is produced by Higher Mapping Solutions (www.highermappingsolutions.com). This programme integrates with the LA's database (ONE) which is supplied by Capita Children's Services (www.capita-cs.co.uk).

Route Finder measures in kilometres and the measurement is converted into miles accurate to three decimal places, which gives an accurate reading up to 1.609344 metres.

The "shortest designated route" is not necessarily a driving route because it may use in whole or in part a non-driveable route (e.g. footpaths). The "shortest designated route" is also not necessarily a walking route for example, where roads are used, the measurement is along the centre of the road not along the edge (pavement or equivalent) of the road.

Other measuring systems may give a different measurement, but the LA cannot take a measurement from another measuring system into account because this would constitute maladministration of the admissions process.

For addresses which are outside the digitised network (approximately 6 miles outside Oxfordshire's County boundary) an internet mapping solution will be used. For addresses in the UK and Europe, we use Google Maps (www.google.co.uk) which allows measuring by shortest routes when set to 'walking' mode. For addresses outside Europe, we measure a straight-line distance using longitude and latitude. Firstly, we derive a start point (the home address) using itouchmap.com/latlong.html We then measure the straight-line distance in statute miles from this start point to the end point (the school gate) using www.nhc.noaa.gov/gccalc.shtml

FURTHER INFORMATION

Further information can be obtained from the school office.
