

WELCOME BACK

The new school year has got off to a brilliant start! We've been impressed with how ready, respectful, and responsible the Children are in Ducklings and Cygnets class.

THIS TERM'S LEARNING ALL ABOUT ME

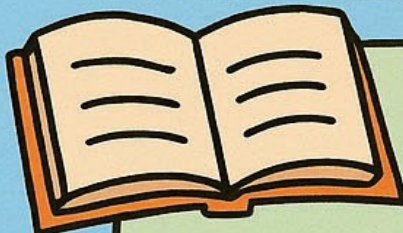

The children will be exploring all about themselves and starting school. We will explore what makes us special, our families, and traditions. This will help the children develop their self-confidence and form positive friendships.

The children will be exploring all about

HOW YOU CAN HELP AT HOME

Talk with your child about what they can see and hear, share a story book together, and encourage the recognition of signs, numbers, and letters.

TAPESTRY

We use Tapestry, an online journal, to record and share learning in the nursery. Staff add observations during the week. Parents can log in to view progress and add their 'wow' moments from home.

UNIFORM

Uniform is not mandatory, but we encourage the children to wear:

- White/navy polo shirt
- Grey trousers, skirts, shorts or pinafores
- Navy sweatshirt/cardigan
- Black shoes
- Plain socks/tights
- No jewellery (except studs)

WATER BOTTLES & SNACKS

Bring a named water bottle every day (washed & refilled at home).

Nursery provides a free piece of fruit/veg each day for snack time.
